target: PRINTED black square = 96.0 mm (drawn at 99.10 mm = +3.23% printer compensation)

COMPENSATED for a printer that shrinks to 93/96. Print with the SAME printer + settings as last time.

scale bar: prints as 96.0 mm on YOUR printer (drawn at 99.10 mm) -- must equal the black square

tick marks align with the black square edges: 99.10 mm in the PDF, 96.0 mm once printed
